About Us

An innovative business approach coupled with keen market understanding has been the driving force behind us at, Shree Shyam Granites And Marbles. We commenced our business operations in the year 2009, with a sole aim to reach to the pinnacle of success in the Natural Stone Industry. With our sheer determination and unwavering efforts for presenting a top-of-the-class collection Granite Slabs, we have been able to attain a prominent position in the markets. We are well known as one of the reputed manufacturers and exporters of a broad array of natural stones, tiles & slabs, etc. Globally appreciated for its long lasting finish, high strength, beautiful colors, and superior finish, our product range includes Granite Slabs, Marble, Tile Strips, Madurai Color Slabs, and more.

Our whole collection including Granite Slabs is quarried from reservoirs which are exclusively rich in different natural stones. And subsequently stones are processed and polished employing modern technology in order to assure fine-grade Granite Slabs meeting finishing and physical quality standards. We have well-knitted team of stone makers and geologists who are adept in quarrying, processing and polishing, besides exploring the stone quarry for bringing forth a new and fresh collection of Granite Slabs which successfully cater to burgeoning market demands. Our par excellence in manufacturing superb gamut of Granite Slabs, Marble, Madurai Color Slabs, etc. has enabled us to gain an extra edge over our competitors.
